- i. **911 SERVICE DOES NOT WORK IF CUSTOMER FAILS TO REGISTER OR UPDATE THE 911 SERVICE WITH CUSTOMER'S CURRENT LOCATION.**
  - ii. **911 SERVICE WILL NOT WORK IF THERE IS AN ELECTRICAL OR INTERNET SERVICE OUTAGE DUE TO ANY CAUSE.**
  - iii. **911 SERVICE WILL NOT WORK IF CUSTOMER'S SERVICE HAS BEEN CANCELED BY CUSTOMER OR TERMINATED BY VIBRANT BROADBAND.**
  - iv. **CUSTOMER AGREES TO DEFEND, INDEMNIFY, AND HOLD VIBRANT HARMLESS FOR DAMAGES, CLAIMS, LAWSUITS, AND/OR DEMANDS RELATIVE TO ANY FAILURE IN THE 911 SERVICE.**
- b. Most of VIBRANT customers in the U.S., including Alaska and Hawaii, have access to basic 911 or Enhanced 911 (E911) service. E911 service is available for all U.S. customers who register a valid E911 service and address.
  - c. With E911 service, when 911 is dialed from Customer's home, the Customer's telephone number and registered address is simultaneously sent to the local emergency center assigned to Customer's location, and emergency operators have access to the information they need to send help and call Customer back if necessary. If Customer lives in locations where the emergency center is not equipped to receive Customer's telephone number and address, Customer has basic 911. With basic 911, the local emergency operating answering the call will not have Customer's call back number or Customer's exact location, so the caller must be prepared to give them this information. Until the caller gives the operator Customer's phone number and location, he/she may not be able to call back or dispatch help if the call is not completed or is not forwarded, is dropped or disconnected, or if the caller is unable to speak.
  - d. As additional local emergency centers become capable of receiving VIBRANT customers' telephone number and address information, customers will need to register a valid E911 service address to upgrade the service to E911. VIBRANT will not inform you that the new local emergency centers have been added. If Customer's address is not covered by E911 service. VIBRANT advises Customer to attempt to register Customer's address periodically to determine if a new local emergency center has been added to Customer's area.
  - e. Certain customers do not have access to either basic 911 or E911 because there are no local emergency centers in their area or the Customer did not register for an E911 service address. If Customer does not have access to basic 911 or E911, Customer's 911 call will be sent to the national emergency call center. A trained agent at the emergency call center will ask for the name, telephone number and location of the Customer calling 911, and then contact the local emergency center for such Customer in order to help.
  - f. Emergency personnel do not receive Customer's phone number or physical location when Customer's 911 call is routed to a national emergency call center. Therefore, Customer must be prepared to give the operator Customer's phone number and location and any other information that the operator might request. Customer authorizes the national emergency call center to disclose Customer's name and address to the third party or parties involved with providing emergency services to Customer, including, without limitations, call routers, call centers, and local emergency centers.
  - g. Customer is responsible for informing any household residents, guests, and other third persons who may be present at the physical address where you utilize the 911 service of the important differences in and limitations of 911 service as compared with traditional 911 land line or cell phone service.
  - h. The documentation that accompanies each piece of equipment Customer may purchase or lease will include a sticker concerning the potential non-availability of basic 911 or E911 (the "911 Sticker"). If Customer does not purchase or lease equipment from VIBRANT, VIBRANT will send Customer one or more 911 Stickers. It is Customer's responsibility to place the 911 Sticker as near as possible to **each** phone that Customer uses with the service. If Customer did not receive a 911 Sticker with Customer's equipment, or Customer requires additional 911 Stickers, please contact VIBRANT's customer care department at 320-693-3231 for more stickers at no additional cost.
  - i. For each primary phone number that Customer uses for the phone service, Customer must register with VIBRANT the physical location where Customer will be using the phone service. When Customer moves to a different location, Customer must register Customer's new location. If Customer does not register Customer's new location, any 911 calls Customer make using the 911 service may be sent to an emergency center near Customer's old address. Customer must register Customer's initial location of use when Customer subscribes to VIBRANT phone service. Thereafter, Customer may register a new location by following the instructions from the "911" registration link in Customer's VIBRANT Account Portal. For purposes of the 911 service, Customer may only register one location at a time for each primary phone line Customer uses with the service.
  - j. The 911 service does not function if Customer changes Customer's phone number or if Customer adds or ports new phone numbers to Customer's account, unless and until Customer successfully registers Customer's location of use for each changed, newly added, or newly ported phone number and receive confirmation from VIBRANT.

- k. Customer acknowledges and understands that the phone service and the 911 service does not function in the event of a power failure. Should there be an interruption in the power supply, the phone service and 911 service will not function until power is restored. A power failure or disruption may require the Customer to reset or reconfigure any or all equipment related to the phone service prior to using the phone service and the 911 service.
- l. Customer acknowledges and understands that the phone service and the 911 service requires a fully functional broadband connection to the Internet and that, accordingly, in the event of an outage of, or termination of broadband service with or by Customer's Internet Service Provider ("ISP") and/or broadband provider, the phone service and the 911 service will not function. If there is an interruption in the power supply and/or an ISP/broadband outage, the phone service and 911 service will not function until the power supply is restored and/or the ISP/broadband outage fixed.
- m. Customer acknowledges, agrees, and understands that VIBRANT is not responsible for any service outage related to the loss of electrical power, connectively, suspension, or termination by Customer's broadband or ISP, the blocking of ports by Customer's broadband or ISP, suspension or termination of Customer's VIBRANT broadband services/account or any failures resulting from local or national disasters.
- n. **CUSTOMER ACKNOWLEDGES, UNDERSTANDS, AND AGREES THAT NEITHER VIBRANT NOR MEEKER OR ITS SUPPLIERS, AGENTS, REPRESENTATIVES, EMPLOYEES, DIRECTORS, HEIRS, SUBSIDIARIES, ASSIGNS, AND AFFILIATES AND ANY OTHERS THAT FURNISH SERVICES TO CUSTOMER, WILL BE LIABLE FOR ANY DAMAGE, WHETHER PERSONAL PROPERTY OR PERSONAL INJURY, INCLUDING DEATH, ARISING FROM OR RELATING TO THE PHONE SERVICE OR 911/E911 SERVICE, INCLUDING, BUT NOT LIMITED TO, ANY OUTAGE AND/OR THE INABILITY TO DIAL 911 OR E911 USING THE VIBRANT SERVICE OR TO ACCESS EMERGENCY SERVICE PERSONNEL DUE TO THE CHARACTERISTICS AND LIMITATION OF THE VIBRANT SERVICE.**
- o. **CUSTOMER AGREES TO DEFEND, INDEMNIFY, AND HOLD VIBRANT, MEEKER AND THEIR SUPPLIERS, AGENTS, REPRESENTATIVES, EMPLOYEES DIRECTORS, HEIRS, SUBSIDIARIES, ASSIGNS, AND AFFILIATES AND ANY OTHERS WHO FURNISH SERVICES TO CUSTOMER IN CONNECTION WITH THIS AGREEMENT, HARMLESS FROM ANY AND ALL CLAIMS, LOSSES, DAMAGES, FINES, PENALTIES, COSTS, AND EXPENSES (INCLUDING, BUT WITHOUT LIMITATION, REASONABLE ATTORNEYS' FEES) BROUGHT BY, OR ON BEHALF OF, CUSTOMER, OR ANY THIRD PARTY RELATING TO OR ARISING OUT OF THIS AGREEMENT, AS A RESULT OF THE PHONE SERVICE AND/OR THE 911/E911 SERVICE, THE FAILURE OR OUTAGE OF THE PHONE SERVICE, THE 911/E911 SERVICE, INCLUDING, THOSE THAT HAVE SUFFERED OR CLAIM TO HAVE SUFFERED ANY DAMAGES RELATED TO THE 911/E911 SERVICE, INCLUDING 911/E911 DIALING AND/OR INABILITY OF CUSTOMER OR ANY THIRD PERSON OR PARTY OR USER OF THE PHONE SERVICE OR THE 911/E911 SERVICE TO DIAL 911/E911 OR TO ACCESS EMERGENCY SERVICE PERSONNEL.**
- p. **VIBRANT, MEEKER, AND THEIR RESPECTIVE SUPPLIERS DO NOT HAVE ANY CONTROL OVER WHETHER, OR THE MANNER IN WHICH, CALLS USING THE 911/E911 SERVICE ARE ANSWERED OR ADDRESSED BY ANY LOCAL EMERGENCY RESPONSE CENTER. VIBRANT, MEEKER, AND ITS SUPPLIERS DISCLAIM ALL RESPONSIBILITY AND LIABILITY FOR THE CONDUCT OF LOCAL EMERGENCY RESPONSE CENTERS AND THE NATIONAL EMERGENCY CALLING CENTER. VIBRANT AND ITS SUPPLIERS RELY ON THIRD PARTIES TO ASSIST IN ROUTING 911/E911 SERVICE CALLS TO LOCAL EMERGENCY RESPONSE CENTERS AND TO A NATIONAL EMERGENCY CALLING CENTER. VIBRANT AND ITS SUPPLIERS DISCLAIM ANY AND ALL LIABILITY OR RESPONSIBILITY IN THE EVENT SUCH THIRD PARTY DATA USED TO ROUTE CALLS IS INCORRECT OR YIELDS AN ERRONEOUS RESOLUTION. NEITHER VIBRANT, Meeker, AND ITS SUPPLIERS, NOR ITS AGENTS, REPRESENTATIVES, EMPLOYEES, DIRECTORS, HEIRS, SUBSIDIARIES, ASSIGNS, AND AFFILIATES, AND ANY OTHER SERVICE PROVIDER WHO FURNISHES SERVICES TO CUSTOMER IN CONNECTION WITH THE TELEPHONE SERVICE AND/OR THE 911/E911 SERVICE MAY BE HELD LIABLE FOR ANY CLAIM, DAMAGE, OR LOSS, AND YOU HEREBY WAIVE ANY AND ALL SUCH CLAIMS OR CAUSES OF ACTION ARISING FROM OR RELATING TO THE 911/E911 SERVICE UNLESS SUCH CLAIMS OR CAUSES OF ACTION AROSE FROM VIBRANT'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT.**
- q. Customer acknowledges and understands that VIBRANT and its suppliers do not offer Lifeline service. If Customer is not comfortable with the limitations of the 911/E911 Service, VIBRANT, MEEKER, and its suppliers strongly recommend that Customer always has an alternative means of accessing emergency service.
- r. **Customer understands and acknowledges that access to VIBRANT's Phone Service may be lost or the Service may not function properly, including the ability to call for 911/E911 service, under**

certain circumstances, including but not limited to, the following: (i) VIBRANT NETWORK OR FACILITIES ARE NOT OPERATING (ii) BROADBAND CONNECTION IS LOST; (iii) CUSTOMER IS EXPERIENCING A POWER OUTAGE (iv) ELECTRICAL POWER TO THE OPTICAL NETWORK TERMINAL (ONT) IS INTERRUPTED; and (v) CUSTOMER FAILURE TO PROVIDE A PROPER SERVICE ADDRESS OR MOVING THE SERVICE TO A DIFFERENT ADDRESS. Customer understands and acknowledges that in order for your 911/E911 calls to be properly directed, VIBRANT must have current service address and if Service to a different address without VIBRANT approval, 911/E911 calls may be directed to the wrong emergency authority, may transmit the incorrect location address for responding or the VIBRANT Phone Service (including 911/E911) may fail altogether. Customer is required to notify VIBRANT of any change of address of the voice enabled advanced modem for 911/E911 calling service to work properly. Customer agrees that, to the maximum extent allowed by law VIBRANT shall have no liability for any damages caused, directly or indirectly, by Customer's inability to access the Services, including the VIBRANT Phone and 911/E911 services.

19. **INTERNET ACCESS SPEEDS.** The internet access speeds quoted are the maximum rates by which downstream Internet access data may be transferred between VIBRANT facilities and the network interface device at Customer premise. The maximum rate is not guaranteed and may vary. The quoted speeds should not be confused with the speed at which Customer receives and sends internet access data through the public internet as such speeds are impacted by many factors beyond control of VIBRANT. Actual internet speeds vary due to many factors including the capacity or performance of your computer and its configuration, wiring and any wireless configuration, destination and traffic on the internet, internal network or other factors at the internet site with which Customer is communicating, congestion on the network and the general speed of the public internet. The actual speed may affect Customer on-line experience including ability to view streaming video and speed of downloads. Except as otherwise provided by law, VIBRANT reserves the right to implement network management controls to optimize and ensure that adequate speed and data transfer is available to all internet service customers.
20. **INTERNET USE.** Customer understands that use of Services is subject to VIBRANT's Acceptable Internet Use Policy, which may be amended from time to time. Policy can be found online at VIBRANTbb.net, or by contacting VIBRANT at 320-693-3231. Customer assumes all responsibility and liability for the security of information on personal devices, including but not limited to computer, and information transmitted or received through the Services. VIBRANT assumes no responsibility and disclaims any liability for the security of any information on Customer personal devices, or the security or accuracy of any information or data transmitted or received through the Services. VIBRANT has no responsibility and disclaims any liability for unauthorized access by third persons to Customer personal devices, files, or data or any loss or destruction of files or data.
21. **TROUBLESHOOTING.** Please contact VIBRANT tech support 24/7 for service issues at 320-693-3231 relating to VIBRANT's internet and telephone services.
22. **COMPLIANCE WITH AGREEMENT.** VIBRANT reserves the right to suspend performance or terminate Service for the breach of any of these Terms and Conditions or policies related to the Services at any time for any reason.
